Quote	"China has secret-ballot elections, but so what? In nearly half of all union elections, companies break the law in some way during the campaigns, according to new research by American Rights at Work, and a quarter even illegally fire union activists, according to Cornell University research. Yet current labor law is so weak, it's helpless to stop them."

Add or change this opinion item's references

This item argues for the position Act should be passed on the topic Employee Free Choice Act.
