Quote

"A seat on the Security Council would give Chavez an international platform to spew his anti-American rhetoric - much as he used his address to the General Assembly last month to attack President Bush. Thanks to Bolton, that likely won't happen. This reminds us that the Senate still needs to confirm the ambassador - and it needs to do so by the end of the year."

"

Add or change this opinion item's references

This item argues for the position Bolton should be confirmed on the topic Confirmation of John Bolton as U.S. Ambassador to the United Nations, 2006.
