Quote

“ Remarkably, Kuehl's proposal to socialize California's health care is being made just at the time when the Canadian system it resembles is falling apart at the seams. For instance, Canada's single payer system is projected to absorb more than half the budgets of most Canadian provinces. In addition, the amount of time a Canadian patient must wait before receiving medical care is notorious.”

Add or change this opinion item's references

This item argues against the position Bill should be passed on the topic California Senate Bill 840.
