Quote

“ Let's expect the senators at least to describe the bill accurately this time around. This would mean that senators not only need to know what the bill contains. It would also mean that they would need to level with the public about the bill, starting with the most important fact. This bill amounts to a rerun of the 1986 amnesty, except with new buzzwords and new false promises for enforcement.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Comprehensive Immigration Reform Act of 2007.
