Quote “The House measure contains only modest tax cuts, worth \$1.3 billion over the next 10 years, and is focused on the small businesses that are most likely to be harmed by a higher minimum wage, like mom-and-pop restaurants. We would have preferred a straightforward minimum wage increase. But the House bill is a reasonable response to the Senate’s refusal to move forward without tax cuts.”

Add or change this opinion item's references

This item argues for the position Compromise bill should be passed on the topic Fair Minimum Wage Act of 2007.
