Quote

“ "But the failure of European or Arab governments to supply helicopters is a disgrace. Over and over, leaders such as Britain's Gordon Brown, France's Nicolas Sarkozy and Germany's Angela Merkel have said the situation in Darfur is "intolerable." Yet, although NATO countries among them have 18,000 helicopters, none have been made available for Darfur. No wonder Mr. Bashir feels free to thumb his nose at the United Nations."

”
