Quote	"United Nations High Commissioner for Human Rights Navi Pillay claimed that the Israeli operation had no legal justification, which only betrays her ignorance of maritime law. Navies routinely stop, board and search suspicious vessels, and Israel has intercepted blockade runners headed to Gaza for years. The difference this time is that the "peace activists" on board were armed and looking for a fight."	,,

Add or change this opinion item's references

This item argues for the position Israel was justified in its actions on the topic Gaza flotilla raid.
