Quote “ Virtually every doctor and doctors' group I speak to cites the same litany, with particular bitterness about the EHR mandate. As another classmate wrote, “The introduction of the electronic medical record into our office has created so much more need for documentation that I can only see about three-quarters of the patients I could before, and has prompted me to seriously consider leaving for the first time.” ”

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
