Quote

“ "How much longer should American troops keep fighting and dying to build a new Iraq while Iraqi leaders fail to do their part? And how much longer can we wear down our forces in this mission? These haunting questions underscore the reality that the surge cannot go on forever. But there is enough good happening on the battlefields of Iraq today that Congress should plan on sustaining the effort at least into 2008." ”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
