Quote

“The long-term strategic consequences of this tragic month-long war are hard to discern. Apart from the tragedy of the civilian deaths on both sides, the war must be provisionally reckoned a messy draw. Israel has not achieved its strategic objectives, although it would be wrong to think that Israel has gained nothing.”

Add or change this opinion item's references

This item takes a mixed stance on the position Israel was right to attack Lebanon on the topic 2006 Israel-Lebanon conflict.
