Quote

“ "For the first time, Social Security will pay out more in benefits than it receives in tax revenue, to the tune of \$29 billion. [...] So is this really the time for the US to be setting out on a trillion-dollar entitlement adventure filled with so many unknowns and untested elements? And, more important, whose ultimate financial impact on the sky-high -- and still soaring -- national debt is open to so much question? You'd think not." ”
