**Quote**

“ Twenty-eight dead civilians in a village from which 150 Katyusha rockets have been launched against Israel doesn't seem "disproportionate" to me. What's "disproportionate" is the idea that civilian life should be allowed to proceed normally in what is, in fact, a terrorist launching platform.”

Add or change this opinion item's references

This item argues for the position Israel was right to attack Lebanon on the topic 2006 Israel-Lebanon conflict.
