**Quote**

“ Make no mistake: Even if al Qaeda were driven completely from Iraq, it would remain a potent force elsewhere. But no group could suffer such a defeat without significant consequences for both prestige and recruitment. America's other enemies, meanwhile, would have to think twice about further angering a lethally adaptable adversary. The war in Iraq may be far from won, but there are plenty of good reasons to keep up the fight.”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
