Quote

“ If Iran is bound and determined to have nuclear weapons, let it. The elimination of American opposition on this issue would open the way to genuine normalization between our two nations. It might even convince the Iranians that their country can flourish without nuclear weapons.”

”

The following other items refer to this item: Bomb Iran

Add or change this opinion item's references

This item argues for the position Iran should be allowed to have nuclear weapons on the topic Iranian nuclear crisis.
