**Quote**

“ We are all aware of the dangerous Middle East conditions the United States faces today after five and a half years of President Bush's leadership. So let's consider what the world might well look like if, in his remaining two and a half years, he were to follow the recommendations of his critics.”

Add or change this opinion item's references

This item takes a mixed stance on the position United States should attack Iran on the topic Iranian nuclear crisis.

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
