Quote

“ This is pretty much the same idea that Gen. John Abizaid offered the Senate last month. It is politically palatable because it promises to pull Americans out of combat, does not require any significant increase in the overall American troop presence and puts the burden for success on the Iraqis themselves. But it will almost certainly lead us to disaster.” ”

Add or change this opinion item's references

This item argues against the position Iraq Study Group's recommendations should be followed on the topic Post-invasion Iraq.
