Quote

“Mr. Casey's and Mr. Bush's opposition to embryonic stem-cell research and the position they have taken is apparently faith-based. It is difficult to see, however, how faith-based compassion does not include supporting a critical quest for medical solutions to severe, fatal diseases.”

”

Add or change this opinion item's references

This item argues for the position Act should be passed on the topic Stem Cell Research Enhancement Act of 2007.
