Quote	 "Nearly a year ago, I went to Iraq to hear firsthand from U.S. troops, military leaders and Iraqis. This is what I heard from our military commanders: If the Iraqi government can't provide better security for its people in six months, U.S. troops in central and southern Iraq should leave. That time has now come and gone and so should our servicemen and women who are needlessly in danger." 							

Add or change this opinion item's references

This item argues for the position Coalition troops should pull out on the topic Post-invasion Iraq.
