Quote “The new consumer financial protection bureau established in the bill is a milestone, not only for its intent and power to rectify lending abuses, but because it will institutionalize the insight that the safety and soundness of banks cannot — and should not — be measured by profitability alone, but by the impact that bank practices ultimately may have on consumers.”

Add or change this opinion item's references

This item argues for the position Act should be passed on the topic Restoring American Financial Stability Act.
