Quote

“ Nothing, however, has garnered as much attention within the activist community as the latest scheme to deploy a U.N. security force in Darfur. This plan, which has been promoted by nearly every activist organization working on this issue, has an almost unimaginable fatal flaw: Without permission from the perpetrators of the atrocities, the peacekeepers will be staying home.”

Add or change this opinion item's references

This item argues for the position United Nations should send peacekeepers on the topic Darfur conflict.

This item argues for the position NATO should intervene on the topic Darfur conflict.
