Quote

"The volume of howling by the broad, shrill chorus of the U.S. financial community is the audio benchmark that Dodd is on the right track. Remember, these shrieking free-market frauds were bailed out by U.S. taxpayers, saved from collapse and then counted the infusions of federal cash as part of a market rebound that should be included in calculations of customary annual bonuses."

"

Add or change this opinion item's references

This item argues for the position Act should be passed on the topic Restoring American Financial Stability Act.
