Quote

“ The power of the people can prove more powerful than any army or any band of ruthless terrorists. That is why we must continue the work our troops have pursued so nobly thus far in Iraq, which the terrorists themselves have called the war's central front. Terrorists know that when democracy can thrive in Iraq, terrorists will have lost once again.”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
