Quote

“Farms have one of the lowest failure rates of any industry and farm incomes are setting records. The average farm household earns \$81,420 and has a net worth of \$838,875. And yet the Senate passed a \$286 billion five-year farm bill expanding subsidies for growers. Never mind the adverse effect of government subsidies on the cost of food.”

Add or change this opinion item's references

This item argues against the position Bill should be passed on the topic 2007 U.S. Farm Bill.
