Quote

“ “At a time when Democratic leaders are pushing rationed care in a world of limited resources, Americans might wonder where the call for shared sacrifice is from illegal-immigrant patients like those in Los Angeles getting free liver and kidney transplants at UCLA Medical Center. "I'm just mad," illegal Jose Lopez told the Los Angeles Times last year after getting two taxpayer-subsidized liver transplants while impatiently awaiting approval for state health insurance. Now, multiply that sense of entitlement by 12 million to 20 million illegals.” ”
