Quote

“ Congress must exert its constitutional authority and demand a vote before any escalation in Iraq. In October 2002, Members of Congress authorized a war against the regime of Saddam Hussein, not to send our troops into a civil war. I voted against that resolution and feel an escalation of this war only compounds the original mistake of going in the first place.”

Add or change this opinion item's references

This item argues against the position United States should increase troop levels on the topic Post-invasion Iraq.

This item argues for the position Coalition troops should pull out on the topic Post-invasion Iraq.
