Quote

“ "Civilian deaths in March were 50 percent higher than in February, and there were a score of recent American deaths, and there is no evidence of political progress to support Petraeus' stab at optimism over the "fragile" situation in Iraq. Most absurd was the suggestion that the problem would all go away if Iran would only behave, when in fact American troops are being sacrificed on the pro-Iranian side of an internal Shiite power dispute."

”

Add or change this opinion item's references

This item argues for the position Coalition troops should pull out on the topic Post-invasion Iraq.
