**Quote**

“ So, who will enforce the U.N. plan to save the black Muslim survivors of Khartoum's National Islamic Front government? Mr. Bush, the world leader who has most forcefully condemned, and named, this genocide, is otherwise engaged in Iraq. But why couldn't England, Germany, Italy, France and other nations start by setting up a no-fly zone to prevent Khartoum's planes from bombing villages to facilitate the Janjaweed's murders? ”

Add or change this opinion item's references

This item argues for the position NATO should intervene on the topic Darfur conflict.
