Quote

“We cannot walk away from our strategic interests in the region. Iraq cannot become a staging ground for Islamic extremism or be dominated by other powers in the region, such as Iran and Syria. A premature or precipitous withdrawal from Iraq, without the requisite stability and security, is likely to cause the violence there -- which has decreased substantially but is still present -- to cascade into an even larger humanitarian crisis.”

”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
