Quote “The president seems unable to acknowledge that military power alone cannot impose democracy on a violent land unready for it. Miracles can happen. But the turmoil in Iraq today leaves one conclusion: Bush has botched Iraq. He cannot endlessly leave American soldiers to die fighting for impossible objectives. If he cannot admit that, Congress must force him to face reality. ”

Add or change this opinion item's references

This item argues for the position Iraq Study Group's recommendations should be followed on the topic Post-invasion Iraq.
