| Quote     | 66 On the one hand, Medicare patients have a hell of a time connecting with doctors. On the other side of the equation, doctors have a hell of a time dealing with the Obamacare bureaucracy. That is what happens when the government stands between doctors and patients in its role as the world's least effective middleman. | ,, |

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
