**Quote**

“ When ObamaCare is fully implemented, [Christopher] Conover finds, an estimated 129 million people — that's 68% of the 189 million Americans with private health coverage — could lose their previous health coverage due to a combination of factors including the cancellations of existing plans as well as changes and "improvements" to existing coverage that will be required under the new health care law. ”

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
