Quote

“ But now companies don't even have to *report* whether they offer employees insurance or who accepts coverage when it is offered. That's important because people are eligible for government subsidies only if their employers don't offer coverage. But if employers don't report who had access to or accepted insurance, how can the individual mandate be enforced? It can't. It needs to be put on ice.

”

Add or change this opinion item's references

This item takes a mixed stance on the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
