Quote

“Anytime, anywhere” inspections of Iranian military facilities were dropped, and I am skeptical that Iran will be required to fully disclose all its past nuclear work. Worst of all, Iran, the largest state sponsor of terrorism, will receive more than \$100 billion in sanctions relief in short order. We know from Iran's track record that this won't be used for roads and bridges, but to fund Hamas and Hezbollah and further entrench Bashar Assad in Syria.
