Quote

“ "There may be scope for some force reductions; but what Iraq needs is a properly trained and equipped army, a competent police force and an external security guarantor. Some Iraqi brigades are fairly capable but few can yet act on their own. Al-Qaeda still has strongholds that must be smashed. US forces must remain engaged for years - and with them American policymakers." ”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
