Quote

“Of the many disappointments of the Iraq Study Group's report, none is greater than the failure (or was it unwillingness?) to offer any remotely plausible suggestions for bringing security and stability to significant parts of Iraq. The Baker group instead chose to entertain the fantasy that political reconciliation in Iraq can take place in the absence of basic security for the average Iraqi.”

Add or change this opinion item's references

This item argues against the position Iraq Study Group's recommendations should be followed on the topic Post-invasion Iraq.

This item argues for the position United States should increase troop levels on the topic Post-invasion Iraq.
