Quote

“ More likely, your employer will simply find that the increased cost and administrative burden is not worth it, and will dump you into the government-run "public option." The Lewin Group, an independent actuarial firm, estimates that under the House version of the bill, as many as 89.5 million workers will simply lose their current employer-provided plan and be forced into government-run insurance.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Patient Protection and Affordable Care Act.
