Quote

“ “The odds that the surge can accomplish these tasks are vanishingly small. The tragic truth is that the social context for this military strategy has changed since 2003. But another surge may be realistic. This surge would begin by giving up the dream of national reconciliation and acknowledging that Iraq is in the process of dividing itself” ”

Add or change this opinion item's references

This item takes a mixed stance on the position United States should increase troop levels on the topic Post-invasion Iraq.
