**Quote** “ There is no room for a naif in the Oval Office. Being president is about policy and about getting that policy right. But being president is also about character. During his decades of service to his country John McCain has given us all ample evidence of his courage, his character and his leadership. And never more has this nation needed a president with all that John McCain has to offer.”

Add or change this opinion item's references

This item argues for the position McCain should be elected on the topic United States presidential election, 2008.
