Quote

“Hastert should have stepped aside as speaker more than a week ago, telling voters that he will roll up his sleeves and get to the bottom of the Foley sex scandal in the months ahead. Instead he is making the political problem worse. Every time he appears in public he not only reminds voters of GOP corruption, but of the fact he has done nothing about it.”

Add or change this opinion item's references

This item argues for the position Dennis Hastert should resign as House Speaker on the topic Mark Foley scandal.
