Quote

“ If Congress wants net neutrality, then Congress can pass a law and let the FCC enforce it. It isn't up to the FCC to create sweeping new policy on its own. That kind of lawlessness ran rampant in the Obama administration, and the Trump administration is undertaking important work in undoing it, from the FCC to the EPA. ”

Add or change this opinion item's references

This item argues for the position Net neutrality should be repealed on the topic Net neutrality in the United States.
