Quote

“ In Iraq, America was surrounded by enemies who were sure from the start that the great foreign power was destined to fail. They could not be given the satisfaction of a hasty American retreat. The stakes had grown: We were under the gaze of populations with a keen eye for the weakness of strangers. It was apt and proper that the leader who launched this war did not give up on it.”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
