Quote

“ It's not easy to figure out exactly what Mr. Obama thinks is the main problem with health care. At the same time he decries doctors for performing expensive, unnecessary procedures, he attacks insurance companies for trying to make profits by denying appropriate medical care. Which is it: Are we getting too much care or too little?”

”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Patient Protection and Affordable Care Act.
