“The Obama administration's behavior to date suggests that it will not hesitate to take care of its friends. [...] The AARP provided a big chunk of the \$121 million spent on ads supporting the bill's passage, as well as \$21 million on lobbying in 2009, according to the Center for Responsive Politics. HHS's proposed regulations on Dec. 21 exempted the AARP's lucrative "Medigap" plans from the rate review and other mandates and requirements.”
