Quote

“ The technical problems are significant because huge numbers of people are being prevented from learning how much their newly mandatory health insurance will cost. Once potential enrollees can review exchange plans, their premiums and deductibles, there will be yet another uproar — one with the potential to force changes to Obamacare or at least delay enforcement of its individual mandate. ”

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
