Quote

“ Instead of “comprehensive” reform, Bush should choose a second option: consecutive reform. During this debate, both the comprehensivists and their opponents have stressed the critical need to control the border and to give employers a reliable system to verify the legal status of their workers. There is no reason that either imperative should wait on resolution of the amnesty or guest-worker questions.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Comprehensive Immigration Reform Act of 2007.

This item argues for the position United States should build a fence along Mexican border on the topic Illegal immigration to the United States.
