**Quote**

“ The issues and the superiority of the Obama-Joe Biden team have become clearer than ever in the past few days. Obama spoke the unvarnished truth when he called the need for a record-breaking economic rescue plan a "final judgment." It was a sweeping verdict not just on the disastrous presidency of George W. Bush but also on the Republican deregulatory obsessions that Sen. John McCain has shared broadly.”

Add or change this opinion item's references

This item argues for the position Obama should be elected on the topic United States presidential election, 2008.
