Quote

In making his reckless decision, Trump defied the advice of the world's leading climate scientists. Of Pope Francis and other religious leaders. Of the leaders of the seven wealthiest democracies. Of major corporations, including Chevron, Google, Facebook and Apple. Of members of his own inner circle, including son-in-law Jared Kushner and daughter Ivanka. Of his own secretary of State, a former ExxonMobil CEO.

Add or change this opinion item's references

This item argues against the position United States was right to withdraw on the topic United States withdrawal from the Paris Agreement.
