Quote	"Colombia would get nothing from it other than the permanent extension of the status quo. That's because most of its products already come into this country duty-free thanks to a decision two decades ago to promote legitimate businesses in an Andean region rife with cocaine. Most U.S. exporters to Colombia would see their tariffs, now ranging from 7% to 80%, slashed to zero."	,,

Add or change this opinion item's references

This item argues for the position Agreement should be ratified on the topic Colombia-United States Free Trade Agreement.
