Quote

“ Silencing political opposition is not reform; it's incumbent protection. In any other context, it would be called censorship. In any other country, it would be called repression. And when criticizing leaders is suppressed and campaign speech is regulated, supervised, watched, controlled, authorized or prohibited by an agency of the national government, it's called dictatorship.”

Add or change this opinion item's references

This item argues for the position Act should be repealed on the topic Bipartisan Campaign Reform Act.
