Quote “a bipartisan election-reform commission chaired by former president Jimmy Carter and James Baker, a veteran of the Reagan and first Bush administrations, found "no evidence of extensive fraud in U.S. elections or of multiple voting." Nor would photo ID end fraud; there are many ways to get a fake ID, and many more ways to steal an election than by running illegal voters through the polls.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Federal Election Integrity Act.
